Why Sponsor CHAKRAVYUHA 1.0?
Partner with us and get direct access to 80+ skilled student innovators, real brand visibility, and tangible returns — all in a single high-energy weekend.

SPONSOR BENEFITS – WHAT YOUR BRAND GETS

BRAND VISIBILITY

- Logo on all posters, banners & stage backdrops at the venue
- Featured across our social media channels pre, during & post event
- Brand mentioned in all official communications & emails to participants

TARGETED REACH

- 80+ active student developers & engineers — your exact target audience
- All participants guaranteed to register on your platform or product
- Distribute your stickers, merch & product samples directly to attendees

TALENT ACQUISITION

- Access resumes & profiles of all 80+ participants post-event
- Evaluate candidates live as they build — find your best fit in real time
- Offer internships or jobs directly to top performers on the spot

PRODUCT TESTING

- Set a custom problem statement — teams build solutions using your product
- Get 24 hours of real-world stress-testing & user feedback for free
- Discover use cases for your tech you hadn't thought of before

STAGE & SPOTLIGHT

- Keynote slot to pitch your company vision directly to future engineers
- Present the main awards — maximum visibility at the event's peak moment
- Executive jury seat to evaluate projects & shortlist talent personally

LONG-TERM ROI

- Official Certificate of Sponsorship for your company records
- Post-event highlight reel & photos featuring your brand
- Build lasting goodwill with Sri Sairam's thriving tech community

CHAKRAVYUHA – The Network of Tomorrow
An advanced technological formation built around unified global connectivity. Every ring you break through brings you closer to the core of innovation. Build the systems that will power the world of tomorrow.

- ADVANCED TECH FORMATION
- UNIFIED GLOBAL CONNECTIVITY
- TECHNOLOGICAL ADVANCEMENT
- FUTURE INNOVATION
