Session 9 – Test, Conclusion and Valediction		**Session Guide**
Instructors Guide:	**Reference**	**Participants Response**
Tell: At the end of this session the trainees will be examined to find out how the concepts of Exchequer Control have been learnt and how budgetary process, starting from budget formulation to budgetary control is controlled and implemented.		
Prepare: Question paper(s) to test how far the concepts of Exchequer Control including budget formulation, budgetary control, GFRs and DFRs have been learnt by the trainees. The test papers should be of objective type and should be solved in 90 minutes.		
Conclude the session by refreshing various concepts of Exchequer Control
